

Optimal Plus provides proven therapy tailored to your condition.

Effective management of chronic lymphedema can be as varied as those that suffer with it. Our clinically proven, easy-to-use therapy is built for changes in condition and changes in life. This flexibility in therapy results in a higher rate of use and progress.

94%

of patients polled say they would recommend Lympha Press to a patient with a similar condition*

My other pump was just too difficult.

I never used it because it was a pain to assemble. The Lympha Press Optimal Plus is helping me manage my lipedema comfortably. I can even use my smartphone as a remote control. Just relax and Lympha Press!
